

Experienced one of my previous AutoCAD seminars?

In addition to the coverage of the *new, dealership-specific, A2010 features*,
there is over 75% of brand new content.

The following features are covered in my 12-hour *AutoCAD 2010 Update* training seminar ...

❖ ***User-Interface Updates***

- Menu Browser
- A2010 Options
- Quick Access Toolbar
- Status Bar Options, Additions, and Improvements
- Quick Views for Drawings and Layouts
- The Governing Body of Workspaces
- Layout Tab Improvements
- Toolbar Additions

❖ ***Layer Features for Designers***

- Viewport-specific Layer Color Overrides
- Persistent Layer Properties window
- Layer States Manager

❖ ***Customizing & Dynamic Blocks***

- Dynamic Block Visibility Parameters
- Assigning Multiple Insertion Points to a Dynamic Block
- Assigning the Dynamic Block an Alignment Parameter
- Updated eTransmit

❖ ***Ribbon Features***

- Ribbon Navigation
- Ribbon Management
- Customizing the Ribbon Content

❖ ***Customizing***

- Introduction to the Customize User Interface [CUI]
- Creating a Keyboard Shortcut – the F1 Key
- Editing the ACAD2010DOC.LSP File
- Creating a Palette Tool to Load Your Favorite Settings
- Adding a Double-Click Edit Function
- Customizing the Rollover Tips

❖ **Annotation Updates**

- Fields as Attributes
- Mtext with a Field
- Adding 'Inches Only' to a Dimension Style
- Creating a Multileader Style
- Adding a Leader to the Tool Palette

❖ **Assorted Updates**

- AutoCAD Variables and Wildcard Searches
- What to do with a Drawing with 'AEC_Walls'
- Snap to Extension and Parallel
- Change Space
- Practical Applications for Raster Images
- Adding a Blank Button to the Tool Palette
- Attaching a PDF Underlay
- Investigating Xrefs
- Key Features of eTransmit

AutoCAD tidbits thrown in along the way...

- ❖ Automatic numbering for rooms, keys, and/or workstations.
- ❖ How to work in an angled building quickly and easily.
- ❖ Sample Lisp routines Trainerguy.Lsp, Glue.Lsp, Dline.Lsp.

All of my productivity training sessions can be delivered either onsite or online.

Hands-on is encouraged, but if you just want to sit around a table and watch me go through the topics, that works too. **[Note: Customized sessions based on current user skills are also available.]**

"His knowledge was excellent and I loved his patience with things and the extra help using both programs (AutoCAD and CAP Designer)."

[CAP Designer & 20-20 Worksheet]
April 2009 - Henriksen/Butler, Salt Lake City

"We had training previously, but your training was more effective. Thanks again, you have given us hope!"

[CAP Designer & 20-20 Worksheet]
March 2009 - Teknion US, New Jersey

"Your style is unique, very entertaining and, more importantly, your knowledge is extreme and you certainly know how to capture your audience - and keep them captured!"

[A2009 Update + CAP Studio 2009]
September 2008 - Workplace Resource of South Florida

"You are the Jimi Hendrix of AutoCAD!"

[Kaiser Permanente, Oakland, CA]
